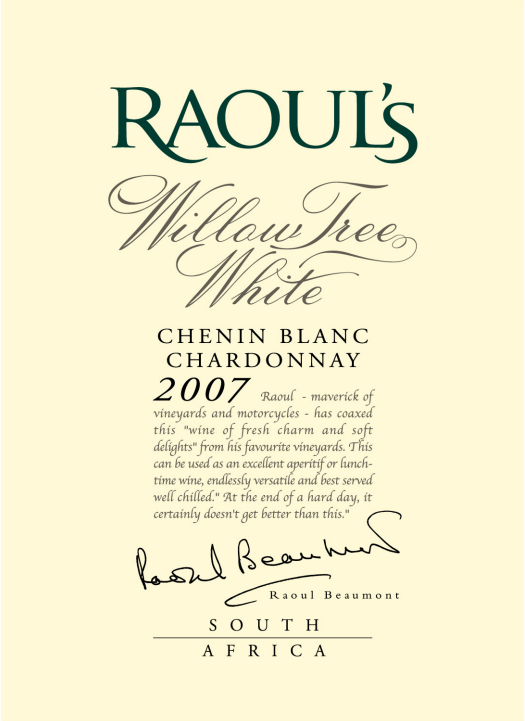
BEAUMONT



Tasting Notes

A blend of Chenin Blanc and Chardonnay, Raoul's Willow Tree has vibrant aromatics that follow through in the taste with wonderful crunchy apple and creamy pears. This is a refreshing companion to Raoul's Old Basket Press.

Wine Review: **This wine is one of the best white wines I have had from South Africa recently**. This very light white gold wine opens with a very appealing ripe apple like bouquet with a touch of honeydew melon. On the palate, this wine is light bodied, smooth, tasty, clean, & displays very appealing green apple flavors with a hint of minerality. The finish is dry, refreshing and lingers nicely. This is a very food friendly wine that would be excellent with broiled scallops and lemon. Enjoy - Ken

The Estate & this Wine

The Beaumont family live, grow grapes and make their wine on the historic farm that dates to 1710. Jayne and Raoul Beaumont began to call this charming farm 'home' in 1973 and have been earning accolades around the world.

Raoul, a maverick with a passion for motorcycles and vineyards, was often seen riding his Harley through the vines. Sebastian Beaumont created the RAOUL's "wines with attitude" to reflect the eccentric, unpretentious, irreverent but always polite character that was his father, Raoul.
